

DataMaster Document Imaging Awards 2022

Line of the Year

Kyocera TASKalfa series 4 colour MFPs

The Kyocera TASKalfa series 4 colour MFPs all share the high-quality of design and manufacture, and the same intuitive interface.

CEO

DataMaster Lab is completely independent and objective..

DataMaster Lab is the only European test lab specialising in the world of digital printing: printers, copiers, MFPs, digital presses, scanners and associated software solutions. No revenue is earned from testing. All DataMaster Lab Awards are based on tests carried out by our own test teams.
